

Abstract Template

Authors must prepare their abstract by the deadline using the template located at the link below. All abstracts will be reviewed based on the guidelines provided and if these are not followed the abstract is likely to be declined.

Note for authors:

Abstract title, authors and affiliations should not be included on this document. Instead they will be entered direct into the relevant fields within the ICPS 2020 abstract submission system, eOrganiser.

Please proceed to the abstract submission site to insert abstract details.

Do NOT include paragraph headings such as aims, materials & methods, results etc.

Do NOT include references.

Do Not include images, tables or graphics.

Only include the abstract body within this template document.
<please delete this note prior to entering abstract information>

<insert abstract body – maximum 300 words (Arial, Font 11)>
